According to the Conference Constitution, the “voting members shall be those Conference congregational members in attendance at the Conference Assembly.” Therefore, all are welcome!

Topics for the agenda:

- Budget income and expenditures from 2018
- Proposed budget income and expenditures for 2019
- Information about the 2020 visit from companions in South Africa
- Election of conference leaders (Co-Deans, Secretary/Treasurer, and a representative to the Synod Nomination Committee). Anyone interested in any of these positions can email Pastor Rich Block, current Co-Dean at [pastorrich@mtcalvaryrothschild.org](mailto:pastorrich@mtcalvaryrothschild.org)
- **Special Request** from Ben Stepanek, ECSW Synod Communications Manager, has a request for all churches: share with him unique and creative ministries that you are doing that help the church live into its missional direction. The synod will begin a weekly “e-News” that will include a video feature of a congregation doing unique and creative ministries.

We will be able to worship with the congregation of Our Saviour's at 4:30 pm.
